- You must be 18yrs+ to receive a session(s) or attend classes.

Cancellation Policy:

I understand sometimes "shift happens"! As a courtesy, remember the following:

- Give at least a 24hrs cancellation notice for all classes, training & services so others have the opportunity to book your scheduled time slot. Cancellations made within 24hrs are subject to at least a \$20 service charge unless a deposit is required, in which case the deposit may be forfeited on the clients behalf.
- You will receive confirmation upon booking a class, training or service, as well as a reminder via text and/or email. Keep in mind that it is your responsibility to remember your appointment dates/times.
- "No Shows" & habitual cancellations may require a 50% deposit prior to booking future appointments, as well as removal of online booking privileges.
- There is a 10min Grace Period for all healing services. Tardiness may result in a shortened service time. After 10 minutes, your session will be considered cancelled.
- If you need to make changes to your appointment, and for online classes such as Reiki Practitioner Training (all levels) and Intuitive Development, please notify me asap via thepsychicyogi@gmail.com if you need to reschedule or will be late.
- Please inform me of any changes to your contact information that may prohibit the receipt of confirmation/follow-up emails, text messages, or phone calls.

By providing your credit card information, you are agreeing to the aforementioned Cancellation Policy & Disclaimer. No refunds, credits or exchanges.
